**** CERTIFICATIONS ****

I/We certify that we are importing the product/technology listed in paragraph 3 for delivery to the end-user listed in paragraph 4. We will not re-export, resell or otherwise dispose of the product/technology to any person, entity or government other than the end-user listed in paragraph 4.

I/We certify that the product/technology to be purchased from Optimax Systems, Inc. will not be used for any purposes associated with the development of nuclear, chemical or biological weapons or their delivery systems.

I/We certify that we will comply with any and all U.S. export laws including the Export Administration Regulations and International Traffic in Arms Regulations. Additionally, we acknowledge that information supplied herein may be disclosed by Optimax to the appropriate US agency.

I/We further certify that all of the facts contained in this document are true and correct to the best of our knowledge and belief and we do not know of any additional facts that are inconsistent with this certificate. We certify that the signer of this document has the actual authority to make such representations and statements on behalf of the product/technology.

The information provided on this Export Compliance Form may be used in the preparation of an export license application to the US Department of Commerce or the US Directorate of Defense Trade Controls (Department of State) if Optimax deems that such a license is required by US export laws and regulations. By completing this form, the customer is consenting to the disclosure of the information to the appropriate US agency listed above.
